

February 2009

Dear Friend of Education:

Hello! ¡Hola! Bonjour!

Eisenhower International School is the only school in Oklahoma that offers a language immersion program in Spanish and French. Our student body is comprised of a diverse group of 321 children in grades PK – 5 from throughout the TPS district. Eisenhower (EIS) is the only school in the state which has won the “Academic Achievement Award” four years in a row.

**You are invited to join our successful educational effort with your contribution to “Festivale” – our school’s largest PTA fundraiser. Your donation of goods or services will help support our unique and thriving program.** The “Festivale” dinner and auction is set for April 18, 2009, at the Oklahoma Jazz Hall of Fame. More than 300 parents, teachers, staff, alumni and friends of EIS are looking forward to attending this event and will share in our appreciation of your in-kind donation.

As a public school, we are in need of additional financial resources to continue our distinctive educational endeavors. Our PTA provides \$45,000 annually to finance programs and school operating needs such as new computers, music/art/PE classes, field trips, teacher resources, Smart Board equipment and more.

EIS students, parents and teachers have a strong sense of community and global connections. EIS offers cultural boxes which represent more than 30 countries to area schools and organizations to enhance global learning. In addition, EIS participates in two exchange programs with Tulsa’s sister city San Luis Potosi, Mexico, and Amiens, France.

**I encourage you to become an important part of our “Festivale” community and support global and cultural education in our small corner of the world.** A PTA volunteer will be in touch with you to confirm your level of interest, pick up your donation and provide you with a tax-deductible receipt.

Thank you in advance for your kind consideration and generosity.

Sincerely,

[Stacy](#)
